Hi Roberta.

I am returning all the confidential DNs listed in the previous e-mail concerning the 2002 ILEC/CLEC data requests. There is another one that probably can be returned as well, it just wasn't on the list. Can Confidential DN 10056-02 (MCImetro/MCI WorldCom/Intermedia (Perko) - (CONFIDENTIAL) Supplements to Atts 2 and 3 to original response to staff data request re: 2002 Local Competition Report. [See DN 08202-02]) be returned to the source ?????

thanks.
