UTILITIES, INC. OF EAGLE RIDGE

CUSTOMER NOTICE

ISSUED: November 18, 2004

On May 12, 2004, Utilities, Inc. of Eagle Ridge (**Utility**), completed its application to the Florida Public Service Commission (**Commission**) for increased wastewater service rates.

At its regularly scheduled Agenda Conference held on October 19, 2004, the Florida Public Service Commission took action on the Utility's application. By Proposed Agency Action (PAA) Order No. PSC-04-1107-PAA-SU, issued November 8, 2004, the Commission approved an increase in wastewater rates of 13.86%. These rates are designed to allow the Utility the opportunity to recover costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such wastewater service.

The increased rates approved by the Commission are effective for service on or after November 30, 2004.

The original rates, the implemented rates, and the newly approved rates for wastewater service are on the back of this customer notice.

Sincerely,

Utilities, Inc. of Eagle Ridge
