NOTICE OF PROPOSED AGENCY ACTION ORDER  
GRANTING A TWO YEAR EXEMPTION FROM REQUIREMENTS  
OF RULE 25-24.515(13), F.A.C.

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(13), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

On October 12, 2004, Com-Tech Resources, Inc. d/b/a Com-Tech Systems (Com-Tech) filed a request for exemption from the requirement that each telephone station shall allow incoming calls from each of the pay telephones listed below. Com-Tech's request includes an attestation by Com-Tech, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.
