Dear Mr. Eubanks:

Attached is a copy of the application of North Peninsula Utilities Corporation for an amendment of wastewater certificate in Volusia County. Pursuant to the Memorandum of Understanding between the Department of Community Affairs (DCA) and the Public Service Commission (PSC), the DCA has agreed to provide input on need for service and comprehensive plan consistency on applications for original certificates filed with the PSC.

The filing of North Peninsula is the ninety-sixth filing to receive this treatment. The staff requests that a response be received by January 21, 2005. **Please note that the response should be addressed to the Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, with the docket number highlighted for reference by the Commission.** If this application is protested within the next 30 days, the docket will be set for hearing. Should this happen, the DCA will be updated by the PSC staff assigned to the case.
