**FROM:** Cheryl A. Johnson, Regulatory Analyst IV, Division of Economic Regulation

**RE:** Docket No 030991 - WU - Application for transfer of all water facilities of Suwannee Valley Estates in Columbia County to Consolidated Water Works, Inc. (holder of Certificate No. 393-W), for cancellation of Certificate No. 421-W, and for amendment of Certificate No. 393-W.

Order No. PSC.04-0993-PAA-WU, issued October 11, 2004, required that the docket remain open to allow the utility to file evidence that CWW owned the land and provide proof that it would set up its books and records using the NARUC Uniform System of Accounts. Once staff received the evidence of ownership of the land and proof that it would set up its books and records using the NARUC Uniform System of Accounts the docket would be administratively closed.

Staff is in receipt of evidence that CWW owned the land and has provided a letter that it would set up its books and records using the NARUC Uniform System of Accounts. Since there are no issues remaining in Docket No. 030991-WU staff requests that the docket be administratively closed.
