This is an amendment to IUR agreement filed by Sprint. The letter and agreement failed to include the d/b/a in Florida Multi-Media's name. Can you review this when you get your copy and ask Sprint to file a correction if it is appropriate to do so?

Thanks.

Nancy,

These amendments contain information related to ITC^DeltaCom. (See page 3, 4-Wire Loop information.) As in 030835-TP, I will need these corrected, with the ITC^DeltaCom language removed.

\*\* In Docket No. 030860-TP, there are two additional problems. This amendment is to an agreement between Sprint-Florida and Florida Multi-Media Services, Inc. d/b/a Florida Multi Media, but the d/b/a information is missing. Also, in the carbon copy language at the bottom of the letter, the contact and company name is for Winstar Communications, and not Florida Multi-Media.

Please let me know when I can expect corrections, or if I need to revise the CASRs for all.

Jeff,

I have the corrections prepared for delivery on all of the recent ITC issues except Florida Multi-Media. In that case, the negotiator has been unable to reach the customer thus far. Work continues on that one.

thanks
