Dear Stan

As discussed during our first 252(i) election of a GTE Florida agreement, the Florida Public Service Commission agrees that the Commission does not need to approve or take any action on a 252(i) election and will not establish a docket for these elections. However, the Commission staff agrees that it is helpful to have all agreements in case any questions occur. For your information, attached is a copy of Teleport Communications Group, Inc.'s 252(i) of the AT&T agreement which was approved by the FPSC in Docket No. 960847-TP effective July 18, 1997. We consider this agreement effective with this filing with the FPSC staff.

If you have any questions or require additional information, please let me know.

Sincerely,

Beverly Y. Menard

Subject: 030982-TP - Verizon/TCG South Florida - Amendment to Adoption of 960847-TP

David and Brian,

As we discussed yesterday, I've been unable to locate the filing made by Verizon f/k/a GTE for TCG South Florida to adopt the AT&T/GTE agreement (960847-TP).

The amendment reflected in the subject line above includes a letter from GTE to TCG dated February 20, 1998 and is signed by both companies agreeing to certain points. In a subsequent letter dated March 6, 1998 from Beverly Menard to FPSC staff, a docket file was not going to be opened for this adoption, but she was attaching a copy of the agreement. Both of these letters are in the current docket file.

While a docket was not opened, at the time this adoption took place, agreements were logged into our Tariff Filing Information System (TFIS) as a way to track them. This was not done in the case of this adoption, and staff cannot locate the agreement referenced in the March 6, 1998 letter.

Nevertheless, staff believes the February 20, 1998 letter, signed by both companies constitutes an adoption of Docket No. 960847-TP. For the sake of efficiency, staff is planning to administratively process the amendment using normal procedures, without any further action necessary on the adoption.
