Hey, Jeff. This is a docket we just opened. You should see it later today. It's a prime example of the way the agreements USED to be filed. "Re" of letter doesn't agree with body of letter, but I'm going with what's in the body of the letter.

Please ask BellSouth to use some current filings as examples of how to style the letters on future agreement filings! Using the new and improved style takes the guesswork out of the equation for us, and makes it more likely we'll have an error-proof title.

Thanks so much.  
Kay

Robyn,

I could not find where I e-mailed this information to you, so if this is a repeat, please forgive.

Docket No. 040145-TP is a duplicate of two previous filings. The "adoption, with modifications" portion was filed in Docket No. 030384-TP. The amendment portion was filed in Docket No. 030650-TP.

Since the filing is a duplicate, it should be withdrawn. The statutory deadline is 5/17 and we should receive the withdrawal letter before then.

Kay, please insert a copy of this e-mail into this Docket File.

Thanks.
