Importance: High

Robyn,

This amendment to the underlying agreement includes the interconnection, unbundling, resale, and collocation elements, but your transmittal letter only states resale. (The underlying agreement is 040242-TP.) Please file a revised transmittal letter making the correction to show that each of the elements are included. The statutory deadline for this agreement is August 19, 2004.

In addition to the missing elements listed in the transmittal letter, the page numbering of the Amendment Exhibit 1, Attachment 1 appears incorrect. Page 2 is shown twice and the second page 2 should probably be page 3. Please verify this and file a correction.

Please reply to this e-mail to let me know when I can expect to receive the corrected transmittal letter and page. I require a response to this e-mail request so I can file a CASR revision to change the memo and close dates if you cannot file the corrections prior to August 19, 2004.

Please let me know if you have any questions.

Jeff:

I received your email and am waiting for a corrected page from headquarters. As SOON AS I get something, I will file the corrected info. and copy you on it.

FYI: If any agreement has an error which extends beyond a corrected transmittal, I have to contact outside sources. Sometimes this process can take a little longer, it is out of my hands. However, as soon as I receive corrected information, I forward to the PSC and copy you. I do receive all your emails, however, if I do not respond immediately, DOES NOT mean I am not working on it. I usually print off your email and get to work on it w/in a 24-hour time period. I will do better in replying to your emails to let you know that "I am working on this and will file correction and cc you asap" Again, rest assured that if I received it and read it I AM working on it. Thank you!

Thanks.

Jeff,

This CLEC has an ICA now with an Attachment 1 Resale in Florida so the stand alone resale for FL is no longer in effect. The entire stand alone Resale agreement will terminate upon expiration on 10-11-04. I will be withdrawing this amendment today.
