RE: Docket No. 981079-SU - Application for amendment of Certificate No. 104-S to extend service territory in Pasco County by Hudson Utilities, Inc.

Dear Mr. Shackleton:

We received your letter on December 28, 1998, in which you expressed concern regarding the possibility that the application for amendment of Hudson Utilities certificate of authorization will force you, as a septic tank user, to connect to the utility system. Staff engineer Lee Munroe has contacted you to explain the implications of the Hudson Utilities' application, Docket No. 981079-SU. In addition the utility should have provided information in writing to you as to future expansion plans and current costs. As indicated by Mr. Munroe, the mandatory hookup policy is a Pasco County requirement, and any objections to that policy would have to be taken to the County Commission. However, when Mr. Munroe contacted the utility, it stated that at this time the utility has no plans in the near future to extend service to your area. If you would like to contact him the number is (850) 413-6954.

Copies of all documents on file with the Public Service Commission in relation to this case can be obtained, at a cost of approximately \$13.00, by contacting the Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850. To address your concern about the name of the utility, the Public Service Commission granted the utility a name change from Hudson Utilities, Inc. d/b/a Hudson Bay Company to Hudson Utilities, Inc. pursuant to Order No. PSC-98-1543-FOF-SU, issued November 20, 1998.

The Commission needs to know your intent regarding your objection to this amendment application. If you choose to pursue the objection, a hearing will be scheduled in which you must provide testimony or other evidence in support of your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise our Legal Counsel, Ms. Samantha McRae, at (850) 413-6202 by February 8, 1999, if you intend to pursue the objection, and therefore, a hearing. After February 8, 1999, if a

RE: Docket No. 981079-SU - Application for amendment of Certificate No. 104-S to extend service territory in Pasco County by Hudson Utilities, Inc.

Dear Mr. & Mrs McDonald:

We received your letter on December 28, 1998, in which you expressed concern regarding the possibility that the application for amendment of Hudson Utilities certificate of authorization will force you, as a septic tank user, to connect to the utility system. Staff engineer Lee Munroe has contacted you to explain the implications of the Hudson Utilities' application, Docket No. 981079-SU. In addition the utility should have provided information in writing to you as to future expansion plans and current costs. As indicated by Mr. Munroe, the mandatory hookup policy is a Pasco County requirement, and any objections to that policy would have to be taken to the County Commission. However, when Mr. Munroe contacted the utility, it stated that at this time the utility has no plans in the near future to extend service to your area. If you would like to contact him the number is (850) 413-6954.

Copies of all documents on file with the Public Service Commission in relation to this case can be obtained, at a cost of approximately \$13.00, by contacting the Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850. To address your concern about the name of the utility, the Public Service Commission granted the utility a name change from Hudson Utilities, Inc. d/b/a Hudson Bay Company to Hudson Utilities, Inc. pursuant to Order No. PSC-98-1543-FOF-SU, issued November 20, 1998.

The Commission needs to know your intent regarding your objection to this amendment application. If you choose to pursue the objection, a hearing will be scheduled in which you must provide testimony or other evidence in support of your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise our Legal Counsel, Ms. Samantha McRae, at (850) 413-6202 by February 8, 1999, if you intend to pursue the objection, and therefore, a hearing. After February 8, 1999, if a
