Re: Aloha Utilities, Inc.; New Class of Service
Our File No. 26038.01

Dear Ms. Bayo:

Attached in accordance with the requirements of Commission Order No. PSC-04-1257-TRF-WU is a proposed customer notice to implement the new class of service for private fire protection. The Utility intends to send this notice out immediately after the protest period expires on January 10, 2005 to those persons entitled to notice as outlined in the Order.

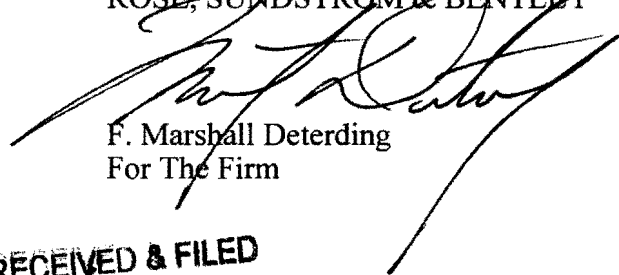

Please approve the attached customer notice as quickly as possible so we can prepare to have it copied and distributed immediately after the Order becomes final.

ALOHA UTILITIES, INC.
CUSTOMER NOTICE
Issued January ____, 2005

On October 1, 2004 Aloha Utilities, Inc. applied to the Florida Public Service Commission for authorization to implement a new class of water service for private fire protection. The staff of the Florida Public Service Commission undertook an investigation and review of the proposal for a new class of service and new rates and by Order No. PSC-04-1257-TRF-WU issued on December 20, 2004 the Florida Public Service Commission approved the new class of service and the tariff as filed. That Order has now become final.

The new rates for private fire protection have now been implemented for all persons receiving such service.

If you have any questions with regard to this new class of service, please do not hesitate to contact Aloha. Have your customer account name and number available when you call.

Sincerely,

Aloha Utilities, Inc.
