Re: Docket No. 050013; Application of Spring Creek Villages, Ltd., for Authority to Transfer Facilities in Lee County, Florida to Bonita Springs Utilities, Inc., and for Cancellation of Certificate No. 271-W  
Our File No.: 39045.01

Dear Ms. Bayo:

The Application of Spring Creek Villages, Ltd., for Authority to Transfer Facilities in Lee County, Florida to Bonita Springs Utilities, Inc., and for Cancellation of Certificate No. 271-W, was filed with your office on January 5, 2005. The docket entry carried a notation that "Utility names in application do not match utility names in MCD." This letter is to advise you that the name of the Utility as shown in the records of the Department of State, Division of Corporations, is "Spring Creek Villages, Ltd." The name of the Utility as shown on Certificate No. 271-W is "Spring Creek Village, Ltd."

We believe that the discrepancy is due to an error that occurred when the Utility filed its articles of limited partnership with the Department of State. The Utility has always used the name, "Spring Creek Village, Ltd., and will correct the records of the Department of State to reflect the same."
