Re: Docket No. 040604-TL – Adoption of the National School Lunch Program and an income –based criterion at or below 135% of the Federal Poverty Guidelines as eligibility criteria for the Lifeline and Link-Up programs.

Dear Ms. Bayó,

As set forth during the January 4, 2005, meeting, the Florida Public Service Commission Staff now seeks comments from all parties regarding BellSouth's formal proposal it filed on January 7, 2005, in the above-referenced docket. The Competitive Carriers of the South, Inc., AT&T Communications of the Southern States, LLC, MCI metro Access Transmission Services, LLC, and MCI WorldCom Communications, Inc., and Florida Digital Network, Inc. d/b/a FDN Communications (collectively the "Joint CLECs") do not object to BellSouth's proposal. Further, it is our understanding the staff will hold a call on January 13, 2005, with the parties to discuss the proposal and the subsequent responses from all parties.
