Re: Docket Number 041371 – WU

Dear Mr. Redemann

The receivers for the Lazy S Utility Company have submitted for a water rate increase. The utility is currently making payments to satisfy the RAF for 2003. The statute calls for a fifteen month waiting period between the time payment is received and the time when the staff assisted rate increase may be processed. We are herein requesting the statutory requirement of fifteen months be waived so the rate study may continue.

Very truly yours,

Charles S. Freed
