

BEFORE THE PUBLIC SERVICE COMMISSION

In re: Complaint against Verizon Florida, Inc.
and request for declaratory ruling by Bright
House Networks Information Services, LLC
(Florida).

DOCKET NO. 041170-TP
ORDER NO. PSC-05-0091-PCO-TP
ISSUED: January 24, 2005

ORDER GRANTING INTERVENTION

BY THE COMMISSION:

By Petition, Knology of Florida, Inc. (Knology) has requested permission to intervene in this proceeding. Knology is a certified competitive local exchange telecommunications company in Florida. The purpose of this proceeding, among other things, is to address Verizon's number porting procedures for Bright House Networks Information Services (Bright House). Like Bright House, Knology's local telephone service, using broadband networks, requires the use of local telephone numbers. Any delay or failure in the porting of local telephone numbers for customers will adversely affect Knology's ability to offer its local telephone service. As such, the resolution of the issues in this docket will affect the substantial interests of Knology and its business operations in the State of Florida.

Having reviewed the Petition, it appears that Knology's substantial interests may be affected by this proceeding because a failure or delay in the porting of local numbers may offset Knology's ability to provide service. Therefore, the Petition shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, Knology takes the case as it finds it.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petition for Leave to Intervene filed by Knology, be and the same is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy.
