RE: Disposition of Confidential Documents in Docket No. 040467-TL

Please return Document Number 04029-04 from Docket Number 040467-TL to BellSouth Telecommunications, Inc. This document, a March 29, 2004 filing of BellSouth's Request for Confidential Classification of staff's report entitled *Follow-up Review of BellSouth Telecommunications, Inc. Sales Methods and Practices* was subsequently replaced by a revised Request from BellSouth (Document Number 04326-04) on April 6, 2004. Therefore, 04029-04 is not needed and should be either returned to BellSouth or destroyed.

Please destroy Document Number 05854-04, an unredacted file copy of the above-titled report that was filed by staff on May 21, 2004. This document is redundant to Document Number 06874-04, an unredacted paper copy of the same report that also includes an electronic version of the report on compact disc.

Please call me if you have any questions at 413-6812.
