Ray,

I've received Atlantic Telecommunication Systems, Inc. d/b/a ATS' 2004 RAF return with a note "No longer operating - see attached letter." The attached letter is from Toni dated May 28, 2004 notifying the company that its IXC certificate was cancelled effective 12/31/03 (note the letter states 2004, but the docket title is 2003).

In researching this, I found that ATS had four certificates:

AAV (TA042)
CLEC (TX076)
IXC (TI609)
PATS (TG095)

ATS completed the 2003 RAF returns for all four certificates showing zero revenues and paying the \$50 minimum RAF for each. On each return, the company wrote "No longer operating." Based on this, dockets were opened by Records for the AAV, IXC, and PATS certificates but for whatever reason, not the CLEC certificate.

I would like permission to open a docket on the CLEC certificate to go forward with a voluntary cancellation with an effective date of 12/31/2003 since I believe it is obvious the company wanted all four cancelled at the same time. Please let me know if you agree.

Thanks,

Paula

Yes, all three RAFs had \$50 payments, accordingly, I will open three dockets. Paula, can I combine the TG095 and TA042 cancellations in one docket?
