Yes, I'll use your e-mail for further change to the title!

Thanks.

Yes, this is a true transfer. This is a challenging docket to title. Want to change it to something like:

Application for authority to transfer a non-regulated water system, for a limited proceeding to implement rates and charges, and for amendment to extend territory of Certificate No. 539-W in Lake County by Braintree Utilities, Inc.

Hope this helps.

Stephanie

Stephanie, we changed this docket title when we got the amended app in on 1/24. Should we have changed it? It was first titled as an amendment, but we included the transfer information when the amended app came in.

Another question: is this a true "transfer"?
