In Re: Initiation of proceedings against )  
Aloha Utilities, Inc. for failure to provide )  
sufficient water service consistent with )  
the reasonable and proper operation of )  
the utility system in the public interest, )  
in violation of Section 367.111(2), Florida )  
Statutes )

COMMISSION  
CLERK  
DOCKET NO. 050018-0001  
Filed: January 27, 2005

Petition to Intervene

Edward O. Wood, pursuant to Rules 25-22.039 and 28-106.205, Florida  
Administrative Code, hereby file this Petition to Intervene in this docket and in support  
thereof state:

1. The name, address and telephone number of the petitioner is:

Edward O. Wood,  
1043 Daleside Lane.,  
New Port Richey, FL. 34655-4293  
727-376-0380

2. Petitioner Edward O. Wood is a residential customer of Aloha  
Utilities Inc. taking service from Aloha Utilities at the address listed  
in paragraph 1.

Drinkable water is an essential to the sustenance of life. The quality of  
water in the domestic plumbing supplied by the aforesaid utility  
is intermittently unsatisfactory. All efforts to improve water quality by  
direct contact with the utility have been ineffective. Actions taken by the  
Public Service Commission in this docket will significantly affect the  
quality of life of the petitioner.

3. Statement of Affected Interests Actions taken by the Commission,  
whether deletion is approved or not, will have a major impact on  
the quality and cost of the potable water that the petitioner will receive in  
the future.

4. The purpose of the proceeding is to evaluate whether Aloha has  
provided quality water, and sufficient water service consistent with the  
reasonable and proper operation of the utility.

FPSC-COMMISSION CLERK

5. Statement of Ultimate Facts Alleged Ultimate facts include, but are not limited to, the following:

A. The poor water quality that the petitioner experiences intermittently is due to poor quality control of the utility's processing methods

B. Aloha must demonstrate that there are no antecedent factors in the delivered water that is responsible for deterioration of quality during normal usage as long as materials of standard quality were used in the construction of domestic plumbing.

C. Aloha failed to undertake all reasonable and prudent measures to make appropriate changes in the water chemistry of delivered water, which could have improved water quality.

WHEREFORE, I, Edward O. Wood, request that the Florida Public Service Commission grant my Petition to Intervene and accord me full party status in this docket.

Sincerely,

Edward O. Wood  
1043 Daleside Lane  
New Port Richey, Fl. 34655-4293
