**RE: Cleartel Telecommunications, Inc.
Florida Tariff No. 1**

Dear Sir or Madam:

Enclosed are two copies of certain revised sheets to Cleartel Telecommunications, Inc.'s Florida Tariff No. 1. Specifically, this filing is comprised of the following sheets:

First Revised Sheet No. 2
First Revised Sheet No. 23
First Revised Sheet No. 24

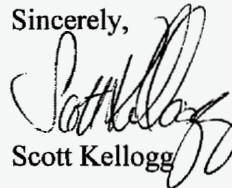

The purpose of this filing is to eliminate a calling card service offering and to correct an error on another rate table. The deletion of the calling card offering will not impact any customers because the company has no customers who are subscribing to the service. The correction is to reduce the "additional 6 second" increment for switched MTS calls from \$0.0700 to \$0.0070. The latter is the correct rate intended by the company, but two digits were transposed in the initial filing of the tariff.

Also enclosed is a duplicate of this cover letter. Please stamp the duplicate of this cover letter and return it to my attention using the pre-addressed stamped envelope also enclosed.

If you have any questions concerning this matter, please contact me.
