Concise explanation, justification or comments (attach additional sheet if necessary):

On February 4, FPL filed a motion for leave to amend its original petition in this docket and to file supplemental testimony in support of its amended petition. OPC filed a response in opposition and motion asking the Commission to hold the proceeding in abeyance or reschedule the hearing. On February 22, FPL filed its response to OPC's motion. The Prehearing Officer informed staff that he believes the issues presented are significant enough to warrant consideration by the full Commission. Staff believes that these procedural motions should be heard at the March 1 agenda because, with a hearing set for April 20-22, the Commission's options in resolving these matters will be significantly limited if this matter is not resolved until the next agenda on March 29.
