VOTE SHEET

MARCH 1, 2005

RE: Docket No. 050010-EU - Petition for variance from or waiver of metering requirement of Rule 25-6.049(5)(a), F.A.C., by Beach House Owners Association, Inc.

Issue 1: Should the Commission grant BHOA's request for waiver of the requirements of Rule 25-6.049(5)(a), Florida Administrative Code?

Recommendation: Yes. Staff recommends that the requested rule waiver be granted, provided that: (1) BHOA allocates the cost of electricity to the individual condominium unit owners using a reasonable apportionment method, as required by Rule 25-6.049(6)(a), Florida Administrative Code; (2) BHOA is responsible for all of the costs associated with the conversion from individual metering to master metering; (3) the waiver is effective only so long as the condominium is operated and licensed as a transient occupancy facility; and (4) all or substantially all of the units are operated on a transient basis. At such time the condominium is no longer so operated and licensed, BHOA must immediately inform Gulf Power Company (Gulf), at which time Gulf will install individual meters on the occupancy units. In the event such a conversion to individual metering is required, BHOA will be solely responsible for the cost of such conversion.
