**ALOHA'S ADDENDUM TO**  
**EXPEDITED MOTION FOR CONTINUANCE**

Aloha Utilities, Inc. ("Aloha"), by and through the undersigned counsel, and pursuant to Rule 28-106.210, Florida Administrative Code, hereby files this Addendum to Expedited Motion for Continuance and in support thereof would state and allege as follows:

On this date, the Prehearing Officer has caused to be issued Order No. PSC-05-0235-PHO-WU. That Prehearing Order, as to which Aloha intends to seek reconsideration and/or interlocutory appellate review, establishes certain issues in the case which it is the position of Aloha are not properly issues before the Commission in this litigation. No Order of the Commission has established these issues as the appropriate issues in this proceeding prior to March 2, 2005. This matter is set for final administrative hearing on March 8, 2005. The establishment, by Order, of these issues at this late date prejudices Aloha, deprives Aloha of an opportunity to adequately prepare for hearing, and deprives Aloha of fundamental due process.
