RE: Docket No. 040952-WS - Joint Application for Approval of Sale of Florida Water Service Corporation's Land, Facilities and Certificates for Chuluota Systems in Seminole Count to Aqua Utilities Florida, Inc.

Dear Ms. Brubaker:

As a follow up to my letter to you dated February 26, 2005 and the telephone messages that I have left for you regarding the final audit report that has been submitted in connection with the above-referenced docket, I wanted to confirm that Florida Water Services Corporation has retained a consultant to review and respond to several of the findings in the audit report that are inaccurate or incomplete. After the consultant has completed his analysis, we will be in contact with you to determine whether his comments should be submitted as a written response or presented as testimony in response to issues that may be formulated as part of this docket. Please give me a call if you have any questions.
