My name is Edward Rodtz Acct.# TH002-04-D

I am writing this letter to explain to the commission, as to my conversation with David Brown whom referred me to Chris Holman. I had become involved with a company that defrauded me and many others, I am sending a copy of my lawsuit and copies of other people who trusted this company and also got burned. I would like to cancel my certificate with the Public Service Commission. I was told to cancel immediately even though I do not have the \$50.00 and \$6.00 interest or penalty at this time. I was also told to send the proof to the Commission in the hope maybe these documents can prevent this tragedy from happening to others or at least make the commission aware of this ongoing fraud

Sincerely
Edward Rodtz

Dear Certificate Holder:

The Division of the Commission's Clerk and Administrative Services has forwarded your account to our office to address the nonpayment of the Regulatory Assessment Fees (RAFs) required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 2004, which was due January 31, 2005. The RAFs return form was mailed to you on **December 15, 2004**, and to date, Commission records reflect that payment has not been received.

According to Florida Law, you are required to add interest charges at 12% per annum, and a 5% penalty for each 30-day period or fraction thereof, beyond the due date, up to a maximum of 25% in addition to the delinquent amount due. In addition, pursuant to Section 364.285, Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each offense, if such entity is found to have refused to comply with or to have willfully violated any lawful rule or order of the Commission, or any provision of Chapter 364.

Utilities are charged with knowledge of our rules and statutes. Moreover, it is general Commission practice that all utilities that apply for certificate receive a copy of all applicable rules. Further, in accordance with Section 364.335, Florida Statutes, as part of the application process, utilities provide an affidavit indicating that they have read and understood the applicable rules.

If you wish to request another form, please contact David Brown or Valorie Moore at the number below. The payment should be identified with the company code and the company's name. Failure to provide payment within 15 days of this notice will result in the establishment of a docket to address your failure to return the RAFs form and pay RAFs in accordance with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. As specified above, pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel your certificate. Therefore, it is important that you address this matter now.

If you have paid your fees, please provide us with your check number and the date that it was paid.

Should you have any questions concerning this letter please contact David Brown at (850) 413-6267 or Valorie Moore at 413-6275 or via Internet e-mail at dbrown@psc.state.fl.us or vmoore@psc.state.fl.us.

Sincerely,

David Brown
