RE: Certification Application for NationsLine Florida, Inc.
DOCKET 050107-TX

Dear Ms. McCoy:

In response to the letter you submitted to us on February 24, 2005, please find attached a revised Exhibit A (with cover letter). This item has been filed with the Commission. Mr. Marchitto is no longer affiliated with the company, and he was recently replaced as President by Norman D. Mason, who is already identified in the response to Item 15(b). I have attached a copy of the corporate resolution to that effect. I have not filed the resolution with the Commission, but will do so if you feel it is warranted. Please let me know if we can provide any additional information to your office. You may contact me at (540) 444-2169, or sathanson@nationsline.com. Thank you for your attention to this matter.

Very Truly Yours,

Managerial and Technical Qualifications

Biographies of Corporate Officers and Key Technical Staff

NationsLine is a recently incorporated company that intends to provide low cost residential phone service to a client base consisting of predominately credit challenged individuals. With the implementation of facilities based service NationsLine, hopes to provide a more valuable service to that customer and attract more mainstream customers as well.

President

Norman D. Mason is the President and CEO of NationsLine. Mr. Mason is the Chairman of NALA. He has eighteen plus years of experience in the lease-to-own business, maintaining thirty-two such stores in six states. This experience prepared him for the complex challenges of running a customer service driven telecommunications business. While the NationsLine remains headquartered in Virginia, service is provided in many different states/districts. Mr. Mason's dedication to quality customer service has resulted in a well-trained staff using high quality technology to interface between NationsLine's customer base and the various companies whose services have been resold. After researching the pros and cons of facilities based service Mr. Mason felt it was in the best interest of the customer and company growth to expand into this area.

Vice-President, Operations

Steve Fralin is the Vice President of Operations at NationsLine. Mr. Fralin is a graduate of Ferrum College with a BA in Business Management and Finance. Additionally, Mr. Fralin has over twelve years experience in networking, telephony, and software development industry. His experience in these areas has helped Mr. Fralin employ a highly skilled technical team that is able to handle the increasing demands of the telecommunications industry.

Re: Florida CLEC Application Incomplete/Docket No. 050107-TX

Dear Mr. Athanson:

In order for the Commission to complete NationsLine Florida, Inc.'s (NationsLine) CLEC application, the Company must provide the Commission with a completed CLEC application. I have placed the CLEC application in pending status until the application issues can be fully addressed.

There is a question on the CLEC application concerning an officer of NationsLine that has not been completed accurately. Please see page 5, Question 15 (b), "*Indicate if any of the officers, directors, or any of the ten largest stockholders have previously been: an officer, director, partner or stockholder in any other Florida certificated telephone company.*" The application's Exhibit A addresses Norman and Barbara Mason's affiliation with Cat Communications Inc., but does not address Mr. Dominick Marchitto's prior Presidency of Annox, Inc.

Annox, Inc. was until December 31, 2004, a certificated CLEC and registered IXC in Florida. Annox, Inc. was cancelled by the Commission for an apparent violation of Rule 25-4.0161, Florida Administrative Code. The Company did not remit its regulatory assessment fees and did not respond to Commission inquiries regarding the matter. Annox, Inc. was fined \$1000 on its CLEC certificate, and fined \$500 on its IXC registration as well as required to pay the past due regulatory assessment fees, including penalties and interest, in Orders PSC-04-1145-PAA-TX and PSC-04-1198-PAA-TI. The regulatory penalties assessed, given Annox, Inc.'s apparent rule violations are being maintained by the Commission under Mr. Marchitto's name given his responsible party affiliation with Annox, Inc. and they are still outstanding.

Please revise NationLine's current CLEC application, Exhibit A , with the above details and submit it to my attention. Mr. Machitto should also be made aware that Annox Inc.'s involuntary cancellations for apparent Commission violations will continue to be maintained under his name until they are addressed. Should he decide to handle the matter, I can direct him through the process.

Please submit the revised CLEC application information before March 14, 2005. If you have any questions, please call me at 850/413-6532.

Sincerely,

A handwritten signature in black ink, appearing to read "T. McCoy", with a stylized flourish at the end.
