Re: Docket No. 041269-TP Petition to Establish Generic Docket to Consider
Amendments to Interconnection Agreements Resulting from Changes of
Law

Dear Ms. Bayó:

AT&T Communications of the Southern States, LLC., hereby advises the Commission and all parties to this docket of its support for MCI's Motion for Relief Regarding UNE-P filed on March 3, 2005 and of the Petition for Emergency Relief filed by Nuvox, Xspedius and KMC on March 1, 2005, in the above-referenced docket.

AT&T has language in its Interconnection Agreement with BellSouth that requires BellSouth to negotiate any material change of law. AT&T supports the Requests for Emergency Relief to prevent BellSouth's attempt to unilaterally disconnect services being provided to AT&T and other CLECs under the Approved Interconnection Agreements.

Pursuant to the Commission's Electronic Filing Requirements, this version should be considered the official copy for purposes of the docket file. Copies of this document will be served on all parties via U.S. Mail.

Thank you for your assistance with this filing.

Sincerely yours,
