That makes a difference. Then, go ahead and open the docket and make the effective date 3/3/05 (the date the original request was received) and please put both documents in the docket file. Thanks!

That's right. I knew it sounded familiar, but I just thought maybe he'd paid what he was supposed to have paid. Thanks for the info. I won't open a docket yet. The attached letter does say that he is aware that he is still responsible for 2005 RAFs in the amount of \$50, which he does not have at this time. The letter also says he spoke with David Brown who informed him that he has all year to pay the \$50. So, I don't know if you still need to contact him or not. He appears to know he owes it. Thanks! Sorry for the confusion.

Hi Dorothy.

This is the company that you e-mailed me about on 3/3 (see DN 02198-05) who requested cancellation but didn't have the money at that time and said he had talked to David Brown and Chris Holman. He still owes the 2005 RAF, so I still don't think a docket should be opened at this time. I'll contact him again. Thanks.

Hi Paula,

We have received a \$56 payment record from Edward Rodtz for 8/4/2004-12/31/04 RAFs. The attached copy of letter requests certificate be discontinued. Please advise regarding opening of new docket. Thanks.
