RE: Your letter

You sent us a letter because you think we provide communication service in the state of Florida.

We applied for such activity because we engaged in an internet kiosk business. This business venture showed to be a fraud and we never started the business, we only lost our money.

We do not provide, or are planning of providing any kind of communication business.

Please remove us from your records,

- CMP _____
- COM _____
- CTR _____
- ECR _____
- GCL _____
- OPC _____
- MMS _____
- RCA _____
- SCR _____
- SEC 1
- OTH _____

Best regards,

Kristina Lipand
