Re: Notice of Name Change at the Parent Level

Dear Ms. Bayó:

This letter serves as a courtesy notification to the Commission, that on March 11, 2005, NUI Utilities, Inc., a subsidiary of AGL Resources Inc., filed an amendment to its Articles of Incorporation with the Secretary of State of New Jersey, changing its name to Pivotal Utility Holdings, Inc. Pivotal Utility Holdings, Inc. remains a wholly owned subsidiary of AGL Resources Inc., the holding company.

This is a name change only at the parent holding level, and does not reflect any corporate restructuring or reorganization. This name change will not impact the Florida City Gas division, currently regulated by the PSC. As you are aware, Florida City Gas is a division of NUI Utilities, Inc. (*See* PSC Order No. PSC-04-1284-FOF-GU, issued December 30, 2004.)

Florida City Gas division will continue to operate its existing natural gas utility business in Florida using the rates, rules, classifications and regulations of Florida City Gas on file with the Commission.

Should you have any questions, please do not hesitate to contact me at (850) 224-9634.

Sincerely,

AKERMAN SENTERFIT
