**TAMPA ELECTRIC COMPANY'S REPORT ON STATUS
OF TERRITORIAL AGREEMENT BETWEEN TAMPA ELECTRIC
COMPANY AND WITHLACOOCHEE RIVER ELECTRIC COOPERATIVE, INC.**

Pursuant to Article IV, Section 4.1 of the Territorial Agreement between Withlacoochee River Electric Cooperative ("WREC") and Tampa Electric Company ("Tampa Electric"), as approved in Order No. 23905 issued in Docket No. 900752-EU on December 26, 1990, this filing will serve as Tampa Electric's report on the status of such agreement.

This is to advise the Commission that the subject territorial agreement remains in full force and effect. As reported in Tampa Electric's March 29, 2002 Annual Report regarding this Agreement, the parties determined that they needed to transfer service to a small number of customers in order to fully comply with the territorial boundaries set for in the Territorial Agreement. On February 21, 2002 Tampa Electric and WREC filed a Joint Petition for approval of customer transfers to conform to territorial boundaries and for other relief.

On June 10, 2002 the Commission entered its order¹ granting the petition for transfer of customers. The provisions of that order became final and effective upon the Commission's issuance of its Consummating Order² on July 10, 2002. This is to advise that Tampa Electric and WREC have completed the two remaining customer transfers that had not yet been completed as of the March 22, 2004 status report filed on behalf of Tampa Electric and WREC.

This will also update the Commission on the status of matters in Docket No. 041408-EI, In Re: Joint Petition of Tampa Electric Company and Withlacoochee River Electric Cooperative, Inc. for expedited interim approval of customer transfers pending consideration of joint application for permanent relocation of territorial boundaries. Tampa Electric and WREC are awaiting the completion of a survey of the revised proposed territorial boundary line separating their respective

service territories. Upon completion, the two utilities will propose the new territorial boundary line for Commission approval.

The parties will advise the Commission to the extent that any changes are proposed and will petition the Commission to resolve any disputes which may arise concerning the provisions of the agreement which the parties are unable to resolve.

DATED this 28th day of March 2005.

Respectfully submitted,
