"This is in response to Order No. PSC-05-0290-PAA-TX issued on March 17, 2005, in Docket No. 041419-TX. Please consider this a protest and/or an offer of settlement to resolve this docket.

"I was granted CLEC Certificate No. 8248 on December 20, 2002. Although I have had the CLEC certificate, I have never provided telecommunications service. Through an oversight, the 2002 and 2003 fees were not paid.

"The company's 2002, 2003, and 2004 Regulatory Assessment Fees, including statutory late payment charges for all three years are enclosed. To resolve this docket, the company respectfully requests that the Commission accept its proposal to pay future Regulatory Assessment Fees by the due date of January 30th of every year and proposes a settlement in the amount of \$100 in lieu of the \$500 fine imposed.

"If you need further information, please do not hesitate to contact me."

Paul Handerhan
