Re: Docket No. 050117

Dear Ms. Bayó:

On February 10, 2005, Progress Energy Florida, Inc. ("PEF") initiated the subject docket by filing: Petition of Progress Energy Florida, Inc. to Relieve It of the Statutory Obligation to Provide Certain Customers within the City of Winter Park with Electrical Service (the "Petition"). In the Petition, PEF advised the Commission that the company would supplement the map appended to the Petition as Exhibit A with a set of more detailed maps further outlining the territorial boundary between PEF and the City of Winter Park (the "City").

Enclosed please find for filing on behalf of PEF an original and seven copies of a supplemental set of maps that further define and delineate PEF's and the City's respective territorial areas agreed upon by the parties during the arbitration that determined the value of PEF's electric distribution system. As contemplated by the Petition, these maps are intended to supplement the map filed as Exhibit A to the Petition and are, therefore, a part of and subject to the approval sought by the Petition.

Please acknowledge your receipt of the above filing on the enclosed copy of this letter and return to the undersigned. A CD-ROM containing the above-referenced maps in PDF format is also enclosed. Thank you for your assistance in this matter.

Sincerely,

R. Alexander Glenn
