Re: Docket Nos. 010492-WS and 030682-WS
March Status Report Regarding Zellwood Station Cooperative Transfer to
Orange County

Dear Ms. Brubaker:

Pursuant to our prior commitment with the Florida Public Service Commission, I am providing to you and all other parties to this proceeding our status report of activities concerning the transfer of the water and sewer plants from Zellwood Station Cooperative to Orange County for the month of March, 2005.

During the month of March, Orange County and the City of Apopka have continued their efforts from last month to work toward finalizing the new draft of the Orange County/Zellwood Asset Purchase Agreement sent for review by each of them in December. The new draft agreement will implement the agreed plan among Zellwood, Orange County, and Apopka to have Apopka utilize capacity in its treatment and supply facilities to provide the wholesale water and wastewater services to Zellwood after the closing between Zellwood and Orange County. Orange County, the City of Apopka and Zellwood have a meeting scheduled for April 5, 2005, to meet and resolve all remaining outstanding items under the Asset Purchase Agreement.

If you, or anyone else has any questions, comments or concerns whatsoever regarding this or any other issue related to this transaction, please don't hesitate to contact us. Copies of any documents referred to in this letter are available upon request.

Very truly yours,

Thomas A. Cloud, Esquire
