DOCKET No: 050045-E1

THE FEDERAL EXECUTIVE AGENCIES PETITION TO INTERVENE

Pursuant to Chapter 120, Florida Statutes, and Rules 25-22.039 and 28-106.205, Florida Administrative Code, the Federal Executive Agencies (FEA) hereby submit this Petition to Intervene in the aforementioned Docket.

The FEA consist of certain agencies of the United States Government which have offices, facilities, and/or installations in the service area of Florida Power & Light (FP&L), and which offices, facilities, and/or installations purchase electric utility service from FP&L. The Department of Defense has been delegated authority by the General Services Administration to represent, through Department of the Air Force counsel, the consumer interest of the FEA in this proceeding under 40 U.S.C.A. 481(a)(4) and 486(d).

Chief among these Federal customers in this case, in terms of customer load, is Patrick AFB and Cape Canaveral AFS, which are facing an estimated annual increase of almost \$1,000,000 if FP&L's filing is approved as proposed. Electricity costs represent one of the largest variable expenses of operating the Federal offices, facilities, and installations on whose behalf intervention is sought herein, and all will be significantly affected by any action this Commission takes in this Docket. For these reasons set forth, we submit the FEA have a substantial interest in the proceedings in this Docket.
