600.00 fine.

What is the \$15.00 Statutory late charge? is that the P&I for 2002?

I had e-mailed Mr. Gross on December 20, 2004, and advised him what to pay if he owed the minimum and if payment was postmarked by 12/25/04. He's close enough in the amounts although he did not pay the 2004 P&I for either certificate nor the correct amount of interest based on his actual postmark date.

It is OK to breakdown the check as he listed it EXCEPT for the two fines. They will have to be deposited as follows:

\$200 in the PSC Trust Fund for collection costs and the balance of \$300 in the General Revenue Fund for each \$500 (each docket).

Let me know if you have any questions. Thanks.
