AMENDMENT

To

INTERCONNECTION AGREEMENTS

THIS AMENDMENT (this "Amendment"), effective as of March 11, 2005 (the "Effective Date"), amends each of the Interconnection Agreements listed in Exhibit A hereto (the "Interconnection Agreements"), and is made by and between each of the Verizon incumbent local exchange carriers (individually and collectively "Verizon" or the "Verizon Parties") and each of the MCI competitive local exchange carriers ("CLECs") that is a party to an Interconnection Agreement with Verizon (individually and collectively "MCI" or the "MCI Parties"), all as shown in Exhibit A. Verizon and MCI are referred to herein individually as a "Party" and collectively as the "Parties".

WITNESSETH:

WHEREAS, Parties have agreed to amend the Interconnection Agreements to increase the charges applicable to MCI's DS0 UNE-P lines in service with Verizon as of March 10, 2005 ("Embedded Base"); and

WHEREAS, the Parties wish to amend all of the Interconnection Agreements to effectuate the foregoing, and for the ease of administration, have elected to do so through this single Amendment.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Rates Applicable To Embedded Base.

The monthly recurring charge that MCI shall pay Verizon for the DS0 (or POTs) switch port for each Embedded Base line shall be increased by: (a) \$2.75 between March 11, 2005 and May 31, 2005 and (b) \$1.00 between June 1, 2005 and March 10, 2006.

2. Successor Terms.

Each Party agrees that, if they establish new or replacement interconnection agreements superceding those set forth in Exhibit A to this Amendment that are effective between March 11, 2005 and March 10, 2006 (including, for avoidance of doubt, interconnection agreements established through adoptions of other agreements under Section 252(i) of the Act), they shall implement the terms of this Amendment into such new or replacement interconnection agreements.

3. Conflicts.

This Amendment shall amend the terms and provisions of the Interconnection Agreements only to the extent necessary to give effect to the terms and provisions of this Amendment, and, except to the extent set forth in this Amendment, the terms and provisions of the Interconnection Agreements shall remain in full force and effect after the Effective Date. In the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of the Interconnection Agreements, this Amendment shall govern.

4. Counterparts.

This Amendment may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

5. Joint Work Product.

This Amendment is a joint work product, and any ambiguities in this Amendment shall not be construed by operation of law against either Party.

6. Captions.

The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or provision of this Amendment.

7. Termination.

If a court or regulatory body of competent jurisdiction requires modifications to this Amendment, either Party shall have the right to terminate the Amendment after sixty (60) days advance written notice.

IN WITNESS WHEREOF, the undersigned have caused this Amendment to be duly executed and to become effective as of the Effective Date.
