Subject: 050047-TP - BST/NOW Communications, Inc. et al - Amendment

Dorothy,

The above amendment shows the CLEC name as it once was. BST hasn't filed a name change amendment to the underlying agreement, to my knowledge, yet.

Please add company code TX197 to the list of utilities covered in the amendment so it will be available via the company information in MCD.

In addition to the above, please change the CLEC name in the docket title to reflect what is shown in MCD - NOW Communications, Inc. (TX197.)

Robyn/BellSouth: please file a name change amendment for this agreement at your earliest convenience. (The underlying Docket for this agreement is 030268-TP.)
