Re: Docket No. 050060-EI

Dear Ms. Bayó:

It has come to my attention that an erroneous figure was included in the "wherefore" paragraph on page 6 of Progress Energy Florida's Outage Exclusion Request, the initial pleading in the subject docket, filed with your office on January 25, 2005. I have therefore enclosed for filing in the docket a corrected page 6 to the Request. The corrected page includes a notation to that effect in the upper right-hand corner and the corrected figure has been underlined to be readily identifiable.

Please acknowledge your receipt of the above filing as provided in the Commission's electronic filing procedures. Thank you for your assistance in this matter.

Very truly yours,

s/ James A. McGee

Enclosure

effort proceeded non-stop until all affected customers had their service restored. In short, the restoration of service was managed, worked and completed in an orderly, expeditious manner.

WHEREFORE, Progress Energy respectfully asks that, for the reasons set forth above, the Commission grant this request and approve the exclusion of the outage event on December 26, 2004 and the resulting system SAIDI of 2.3 minutes from the Company's Distribution Service Reliability Report for calendar year 2004.

Respectfully submitted,

---
