Kay, I'm forwarding this request to you too, since I got an out-of-office response from Hong. Thanks.

**Subject:** title change for Docket No. 050183-WU

Please change the docket title to "Request by homeowners for the Commission to initiate deletion proceedings against Aloha Utilities, Inc. for failure to provide sufficient water service consistent with the reasonable and proper operation of the utility system in the public interest, in violation of Section 367.111(2), Florida Statutes."

Currently, the docket title reflects that the request is from homeowners from the Natura subdivision, but the docket will now need to address requests from other subdivisions as well. Therefore, this title change is to remove the words "of Natura subdivision" from the docket title.

Thanks.
