Re: Request for Confidential Treatment  
Audit Control No. 04-23-2-10  
Regulatory Assessment Fee Audit

*unboxed*

Dear Ms. Bayó:

Progress Telecom, LLC ("Progress Telecom"), pursuant to Section 364.183(1), Florida Statutes, hereby claims that certain information provided in its response to the above-referenced audit and contained in Commission Staff audit work papers constitutes confidential and proprietary business information that should be held exempt from public disclosure. Pursuant to Rule 25-22.006(5), Florida Administrative Code, Progress Telecom hereby submits one copy of these audit work papers that the Commission currently is maintaining in a Temporary Confidential Status. The material for which confidential treatment is sought is intended to be and is treated by Progress Telecom as private and has not been disclosed by Progress Telecom other than to the Commission and certain authorized company representatives obligated to maintain the confidentiality of this material (e.g., auditors and/or legal counsel).

Please date stamp the duplicate of this letter and return it in the enclosed self-addressed, postage-prepaid envelope. Thank you.

Sincerely,

Michael Drayer  
Deputy General Counsel
