Re: Developer Agreement between Lake Utility Services, Inc., and Pillar Development, L.L.C.
Our File No.: 30057.82

Dear Ms. Bayo:

Pursuant to Commission Rule 25-30.550, Florida Administrative Code, enclosed is a copy of a Water Utility Agreement entered into between Lake Utility Services, Inc., and Pillar Development, L.L.C., for water service to Pillars Landing, Lake County, Florida. Lake Utility Services, Inc.'s water treatment plants have total permitted capacity of 10,790 ERCs. The connected load for the current treatment plants is approximately 8,270 ERCs and this Water Utility Agreement is for 22 ERCs. There is sufficient capacity in LUSI's existing plant to provide water service pursuant to this Water Utility Agreement. This Water Utility Agreement will have no noticeable impact on the Utility's rates due to the amount of demand being placed on the LUSI water system, and resultant revenues.
