Subject: Aloha Utilities, Inc.
Docket No. 050018-WU

Dear Ms. Gervasi:

As I am sure you are aware by now, the prehearing office has denied the Southwest Florida Water Management District's Petition to Intervene in the subject proceeding. However, the District remains willing to provide, upon request, any information to the Florida Public Service Commission that the Commission, the Commission staff, the Public Counsel's Office or any other party believes would be relevant or helpful to the proceeding.

The utility has recently filed an application seeking renewal of its Water Use Permit. The District understands from the Commission's order that the permit is of no relevance to its proceeding so the District will proceed to evaluate and issue its proposed agency action with regard to that permit application.

You may contact me at the District's Brooksville headquarters, extension 4651.

Sincerely,

Margaret M. Lytle
Senior Attorney
