**FLORIDA POWER & LIGHT COMPANY'S
MOTION FOR TEMPORARY PROTECTIVE ORDER**

Pursuant to Section 366.093(3), Florida Statutes, and Rule 25-22.006(6)(c), Florida Administrative Code, Florida Power & Light Company ("FPL"), hereby moves the Florida Public Service Commission (the "PSC" or the "Commission"), through the Prehearing Officer, for a temporary protective order to exempt from Section 119.07(1), Florida Statutes, certain confidential information in FPL's response to the Office of Public Counsel's ("OPC's") Seventh Set of Requests for Production of Documents Nos. 245, 262, 263 and 267 in connection with FPL's Petition for Rate Increase, and in support states:

1. OPC has requested that it be permitted to inspect and potentially take possession of certain of FPL's confidential, proprietary business information in FPL's responses to OPC's Seventh Set of Requests for Production of Documents Nos. 245, 262, 263 and 267 in Docket No. 050045-EI.

2. Subsection (6)(c) of the Commission's confidentiality rule, 25-22.006, provides in relevant part as follows with respect to a utility allowing OPC to take possession of utility information:

[T]he utility may request a temporary protective order exempting the information from Section 119.07(1), Florida Statutes. If the information is to be used in a proceeding before the Commission, then the utility must file a specific request for a protective order under paragraph (a) above. If the information is not to be used in a proceeding before the Commission, then Public Counsel shall return the information to the utility in accordance with the record retention requirements of the Department of State.

See Rule 25-22.006(6)(c).

3. The confidential information, includes, but is not limited to information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL or its affiliates to contract for goods or services on favorable terms. This information is exempt from the Public Records Act pursuant to Section 366.093(3)(d), Florida Statutes. Other confidential information relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information is exempt from the Public Records Act pursuant to Section 366.093(3)(e), Florida Statutes. In addition, certain information constitutes customer-specific account information, which FPL has a policy not to disclose except as required by law or with customer consent.

4. FPL respectfully requests that the Commission enter a temporary protective order affording FPL the protection that is needed to provide OPC the confidential information in FPL's responses to Seventh Set of Requests for Production of Documents Nos. 245, 262, 263 and 267.

5. FPL has been authorized by counsel for OPC to represent that OPC does not object to the granting of this motion.

WHEREFORE, for the foregoing reasons, FPL respectfully requests that the Commission enter a temporary protective order protecting against public disclosure the confidential

information in FPL's responses to Seventh Set of Requests for Production of Documents Nos. 245, 262, 263 and 267 in connection with FPL's Petition for Rate Increase.

Respectfully submitted this 20th day of May, 2005.
