COMMISSION  
CLERK

Director, Division of the Commission Clerk & Administrative Services,

Please refer to Docket No. 050323-SU , North Fort Myers Utility, Inc.

Today we received a letter that attempts to notify us of a pending application to raise our sewer rates by what appears to be 73%. The letter is so confusing to the homeowner That it is possible the rates may be going up even more than 73%. It could be the confusion is intentional.

Please be aware that a 73% increase in ANY living expense is unacceptable !  
( Re: "Gallorage Charge per 1000 gallons Current-\$2.38 Proposed-\$4.11 )

Thank you in advance for your attention to this proposed "RIP- OFF " !

Sincerely,

Raymond S. Davis
