Ok, per this e-mail, CCA will place document No. 04446-05 into the public docket file and make it available to the public.

Thanks.

Kay,
Per this e-mail is it OK to un-consolidate, PDF, & place document no. 04446-05 in the public docket file ??
Marguerite

DN 04446-05, exhibit 33 from the hearing, is only a list of confidential documents. BellSouth did copy it on yellow paper, like they do their confidential documents, but it does not contain any confidential material. It does not need to be kept confidential.
