v.

GULF POWER COMPANY,

Respondent.

E.B. Docket No. 04-381

To: Office of the Secretary

Attn.: The Honorable Richard L. Sippel
Chief Administrative Law Judge

GULF POWER COMPANY'S MAY 2005 STATUS REPORT ON POLE SURVEY

Gulf Power Company ("Gulf Power"), pursuant to the Presiding Judge's April 1, 2005

Order, submits the following status report on the pole survey

1. Number of poles to be surveyed: 150,000.
2. Number of poles actually surveyed to date: 10,249 poles on first pass.
3. Number of poles estimated being at full capacity to date: As of the date of this report, the first pass "crowding" data for the 10,249 poles collected had not been fully uploaded. The number of crowded poles (on a first pass basis) is at least 3,254. The fully delivered data (which includes second pass, QC/QA) contains 980 crowded poles out of 1,166. Gulf Power estimates that 80% of the 10,249 poles collected on first pass are crowded. All of these poles collected are in the Pensacola, Florida area.

4. Any problems encountered with survey: No problems of note.
