I missed this in proofing the 6/1 document listing this morning, but yes it definitely should have been docketed.

Dorothy and Tim, please use this e-mail to establish a PATS cancellation docket using DN 05289-05. Remember we are now routinely docketing these type requests.

I forwarded this document this morning to the filing section. I believe we should have opened up a dkt, they were paying 05 RAFs, and the letter said to close the docket.

What should we do?

Just curious why this was not docketed. Can you please advise? Thanks!
