Yes to the two \$5,000 New Centruy payments.

The \$100 received for Docket No. 040919-TI is for Globaltron Communications Corporation (TJ503). All of the \$100 should be deposited in the PSC Trust Fund for collection costs.

Let me know if the International Telcom check comes in anytime soon. Thanks.

ORDER APPROVING SETTLEMENTS

BY THE COMMISSION:

The Division of the Commission Clerk & Administrative Services advised our staff that the entities listed below had not paid the Regulatory Assessment Fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years specified below. Also, accrued statutory late payment charges required by Section 350.113(4), Florida Statutes, for the year(s) specified below had not been paid. The entities were scheduled to remit their respective 2003 Regulatory Assessment Fees by January 30, 2004. In addition, on June 10, 2004, our staff wrote the entities specified below and advised that payment of the 2003 Regulatory Assessment Fees should be paid by July 2, 2004, to avoid dockets from being established.

Pursuant to Section 364.336, Florida Statutes, intrastate interexchange telecommunications companies (IXCs) must pay a minimum annual Regulatory Assessment Fee (RAF) of \$50 if the registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange telecommunications service.

<u>ENTITY S NAME</u>	<u>REGISTRATION NO.</u>	<u>PAST DUE RAFS</u>	<u>PAST DUE LATE PAYMENT CHARGES</u>
International Telecom, Ltd.	TI587	2003	2003
Public Telephone Network, Inc.	TJ153	2003	2003

After these dockets were established, each of the entities contacted our staff, paid the past due amounts, including statutory late payment charges, and proposed to pay a \$500 contribution. In addition, each of the entities proposed to pay future Regulatory Assessment Fees on a timely basis. The settlement amount in these dockets is consistent with amounts this Commission has accepted for recent, similar violations.

We believe that the terms of the settlement agreements represent a fair and reasonable resolution of these dockets. Accordingly, we hereby accept the settlement offers. Each of the entities must comply with these requirements within 14 days from the date of issuance of this Order. The contribution should be identified with the docket number and the company name. Upon timely receipt, the cost of collection will be subtracted from the amount received and will be deposited in the Florida Public Service Regulatory Trust Fund, to offset the cost of collection incurred by this Commission. Any monetary amount exceeding the cost of collection will be deposited in the General Revenue Fund. Upon remittance of the \$500 contribution or cancellation of their respective registration, each docket shall be closed. If an entity's IXC tariff is cancelled and respective registration is cancelled in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications services in Florida. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

~~ORDERED by the Florida Public Service Commission that each of the entities settlement proposal set forth in the body of this Order is hereby approved. It is further~~

ORDERED that each settlement amount must be received within 14 days of the issuance of this Order. It is further

ORDERED that each docket shall remain open pending timely receipt of the \$500 contribution. This Commission shall subtract the cost of collection from the amount received and deposit it in the Florida Public Service Regulatory Trust Fund, to offset the cost of collection incurred by this Commission. Any remaining monetary amount shall be deposited in the General Revenue Fund. It is further

ORDERED that if an entity fails to comply with this Order, its respective intrastate interexchange telecommunications registration will be cancelled administratively. It is further
