I just checked and Raquel wasn't in. Can one of you check to see if the payment was received? The reason I need to know is that the deadline is tomorrow and if Records does not have record of it this company's certificate will be cancelled. I forgot to give you the company code - TJ153, Public Telephone Network, Inc. Thanks so much!

We were supposed to receive a \$500 settlement from this company yesterday. I was told it was sent by overnight delivery via DHL. Can you confirm we received it?
